Selection of Cruises

NORTHERN EUROPE & THE ATLANTIC • THE MEDITERRANEAN

Time unfolded

The days stretch luxuriously; time seems to slow. Bathed in the golden rays of the setting sun, you savour a stroll along the ship's deck. Your gaze glides across the horizon, captivated by a glimmer that unveils the shore's singular allure. The evening breeze brings a thrilling sense of freedom. This summer of 2025, PONANT invites you on a sensory adventure where discovery, contemplation, wonder, and the refined pleasure of time rediscovered - time for oneself - come together.

From the hidden coves and ancient ruins of the Peloponnese islands to the woody scents of the Dalmatian coast; from the black-sand beaches of the Canaries to the captivating cities of the Baltic Sea... Set sail on a spring or summer journey through both iconic and hidden ports, as each day flows to the soothing rhythm of the waves. Here, the magic of the sea works its wonders: you finally become the master of your time once more.

Embrace indulgence with a culinary voyage through the flavours of French terroirs, artfully curated by Amaury Bouhours, Executive Chef of Le Meurice. Dance performances and lectures, orchestrated by the Ballet de l'Opéra national de Paris, will add a touch of magic to your evenings at sea. At PONANT, our passion for exploration - whether across lands, over seas, or through the arts - fuels journeys that awaken the spirit.

We look forward to welcoming you aboard.
