Imagine stepping into a world of constant contrasts, where every corner you see invites discovery – where all the kaleidoscopic sights, the symphony of sounds, and the alluring flavours wafting through the air all weave together to create a singular experience that transcends anything you have experienced before.

A continent of contrasts

Discover unparalleled scenery and unforgotten traditions as you dive deeper into the authentic beauty of Asia.

Welcome to Asia, where golden palaces overlook sapphire seas and time-worn temples sit alongside sky-scraping marvels of modern architecture. Asia doesn't just match up to your imagination, it exceeds it. Ancient arts are practised alongside restaurants run by robots, and you can ride the 100 mph bullet train to visit centuries-old castles.

Diverse natural and cultural experiences abound, from fragrant pale pink cherry blossom season in Japan to the UNESCO World Heritage sites of Gyeongju in Korea, where the morning sunlight first touches the Orient. One evening you could be watching

the floats at the Neputa festival displaying a kaleidoscope of colours. On the same voyage you can experience an exclusive authentic geisha performance rarely witnessed by visitors. And everywhere you travel, you'll embrace the exquisite flavours of Asia, from new culinary creations at world-class restaurants to an authentic Teppanyaki feast.

Like this diverse region, Silversea offers a superb choice of destinations, voyages and itineraries. So whether you want an epic adventure or a relaxing culinary and cultural tour, the best way to explore the world's most intriguing continues in unparalleled comfort is with Silversea.
